 - Students joining to VII semester B.E./B.Tech./B.Plan should complete the Internship before the commencement of the classes.
 - The Institute needs to function for six days a week with additional hours (Saturday is a full working day). If required, the college can also plan to have extra classes on Sundays to complete academic activities within the duration mentioned.
 - The faculty/staff shall be available to undertake any work assigned by the university.
 - Notification regarding the Calendar of Events relating to the conduct of University Examinations will be issued by the Registrar (Evaluation) from time to time.
 - Academic Calendar may be modified based on guidelines/directives issued in the future by MHRD/AICTE/State Government.
 - Academic Calendar is also applicable for Autonomous Colleges. If any changes are to be effected by Autonomous Colleges to the academic terms and examination schedule, they could do so with the approval of the University.
 - The college has to conduct offline classes to cover 80% of the syllabus of the courses; however, 20% of the syllabus can be covered in virtual mode (Online) mode. Attendance of the students for offline and online classes is mandatory and records should be maintained and submitted to the university whenever informed.
